

Core values I identify with

Teamwork/Teampayer: I always want to try and help my team with tackling a problem to get it resolved as soon as possible

Openness: I am down to hear from others on what I am doing so I can better myself

Responsibility: I try to do and finish the work I am tasked with

What Lucas thinks

Accountability: I'm always here for anything

Pro-active: I come up with stuff myself and opinions, ask questions.

Transparency: Honest about how far I am and how it's going

Trustworthy: I can be counted on my word

What Isenio thinks

Thinker: plays into creativity with the ideas I bring to group work

Leadership: I tend to keep everyone on track
