Hello Floor,

I am Yoshua from one of the Fontys semester 2 groups who are working with you and Blik for the branding project. We are requesting some things before finalizing our work and showcase it on Friday.  
Firstly, we would like to have a photo, the full names and contact email of each member for the purpose of being used on a page dedicated to give the user the information of Blik as a group.  
Secondly, there is a page we are working on for anyone who would want to join team Blik so I am asking here: What are the details you would want to get from someone who would want to sign up and join team Blik through the website form?

We are eager to hear from you,

Best regards,  
Yoshua
