Hello Eveline,

I am a student in semester 2, currently on the branding project for a theatre group. Anke mentioned that you are a possible candidate that fit the target group for an interview. Is it possible to have an interview next week? If so, any day specifically where you are free? If you are comfortable with an interview online, I can schedule one via Teams or another application you are more comfortable with doing so.

I am looking forward to your response.

Best regards,
Yoshua

Yes I heard it from Anke Eyck. Wednesday is for me possible at 13.00h.

Kind regards,
